## 8.0 Megapixel

## 4K 8.0 MEGAPIXEL 180° PANORAMIC IP 100' IR SECURITY DOME CAMERA

4K resolution for the best results in video surveillance

This Alibi 4K 8.0 Megapixel Panoramic Dome Security Camera offers a full 180 degree view and 100' IR range. Not only can you enjoy high-definition images with 4K resolution, you will also get four 6mm lenses providing an ultra-wide image to address the most demanding situations. A maximum resolution of 7008 × 1080 (panoramic mode) means high detail at up to 30 frames per second (fps).

This camera offers 1/2.8" Progressive Scan CMOS, full HD resolution with PoE, defog, 3D DNR and IP67, TVS 2000V lightning protection, surge protection and voltage transient protection protecting the camera from inclement weather to meet a wide variety of applications.

This camera's 0.0008 low lux rating, thanks to its Starlight sensors, improves night-time performance. Specifically designed for surveillance in low-light environments, not only does it enhance clarity, it also offers color images for low-light applications.

The camera also comes with flexible storage solutions. Local storage includes micro SD card, SDHC, SDXC (not included) up to 128 GB.

For convenience, you can access your video from your iOS or Android device with a Free Alibi Witness iOS/Android App, and receive power and data over existing LAN cabling through Power over Ethernet (PoE) connection, eliminating the need to install a separate power cable, which simplifies installation and lowers cabling costs.

This product conforms to ONVIF (Open Network Video Interface Forum) specifications, such as Profile S, Profile G, and ISAPI, for IP-based security products so you can enjoy greater compatibility with more devices.

This outdoor panoramic dome camera is designed to withstand extreme temperatures and is protected from dust and rain with an IP67 enclosure that has operating temperatures at -40 °F - 140 °F.
